Dear Allan

### **Hutton Rudby Neighbourhood Plan – Regulation 14 Consultation**

Thank you for sending this Authority a copy of the draft Hutton Rudby Neighbourhood Plan.

I am writing to let you know that we have no comments, other than to offer our support for Policy RNP14 which seeks to protect views into the North York Moors National Park.

As you say, the Neighbourhood Areas lies outside the National Park area. One of the basic conditions that a neighbourhood plan must satisfy is general conformity with the local development plan, in this case the Hambleton Core Strategy and forthcoming Local Plan. There is no requirement to demonstrate conformity with neighbouring plans.

I wish you well as you take the plan forward towards referendum.

Yours
