22/03/21

Dear Resident/ Proprietor,

DOCTORS LANE, HUTTON RUDBY – CARRIAGEWAY RESURFACING

This letter is to inform you that the North Yorkshire County Council will be undertaking highway maintenance at the above location, between the junction with Garbutts Lane and junction with Belbrough Lane

The works are currently programmed to commence on 6th April 2021 and last for 4 days.

Please note this work is part of an extensive programme and therefore some adjustment to this start date or the duration of the works may be necessary should unforeseen circumstances (such as significant weather events or emergencies on the highway network) arise.

The works will be carried out, under a full road closure, between the hours of 08:00 and 16:30. This will inevitably restrict vehicular access to properties directly affected but our contractors will try to assist you where possible during the working day through the use of on-site personnel tasked with managing access, it would be appreciated that vehicles are removed from the highway before 08:00am on the above date. Please be advised there will be extended periods when access will not be possible due to the nature of the works and physical constraints of the site. Pedestrian access will be permitted. We request your assistance in the following ways: -

Please contact the Customer Resolution Centre on 01609 780780 to identify any special access needs you may have during the work period

- Please arrange to store your vehicle at an alternative location
- Please co-operate and comply with any instructions issued by the traffic management operatives and take extra care whilst within the works area.

May I draw your attention to the County Councils Corporate Privacy Policy by using the following link <https://www.northyorks.gov.uk/privacy-notices>. When submitting a response, we will record personal information including your name and address.

For further information, including diversion information and to sign up for alerts please go to; <http://www.northyorks.gov.uk/article/30550/Public-notices>

I would like to take this opportunity to apologise for any disruption that these works may cause and would again request your cooperation to help ensure an efficiently and safely executed project.

Yours faithfully
Customer Resolution Centre
